

AMENDMENTS TO THE DRAWINGS:

Please amend Fig. 2 to indicate the claimed curvature radii R_i and R_o . The attached sheet which includes Fig. 2 replaces the original sheet of Fig. 2

REMARKS

Claims 1 and 2 are pending, and have been indicated as containing allowable subject matter. As this is a Quayle Action, the only remaining issues revolve around formal matters. The Examiner objects to the drawings as allegedly failing to show the claimed curvature radii R_i and R_o . Attached hereto is a drawing amendment providing reference to R_i and R_o .

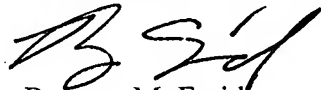

The Examiner has also objected to the title as allegedly being non-descriptive. The Examiner's suggested change has been made.

Having fully responded to all matters raised in the Office Action, Applicants submit that all claims are in condition for allowance, an indication for which is respectfully solicited. If there are any outstanding issues that might be resolved by an interview or an Examiner's amendment, the Examiner is requested to call Applicants' attorney at the telephone number shown below.
